

Ian Q. Snider

Berkeley, CA 94620 · (660) 341-6806 · iqsnyder@berkeley.edu · iansnyder.com

EDUCATION

University of California, Berkeley, Berkeley, CA	<i>Expected: May 2030</i>
Ph.D. Nuclear Engineering	4.00/4.00
Washington University in St. Louis, St. Louis, MO	<i>May 2025</i>
B.S. Mechanical Engineering	4.00/4.00
Truman State University, Kirksville, MO	<i>Conferred: Dec 2024</i>
B.A. Physics, Mathematics Minor	3.89/4.00

EXPERIENCE

Lawrence Berkeley National Laboratory - Lab Affiliate, Berkeley, CA	<i>August 2025 - present</i>
Principal Investigator: Bethany Goldblum - UC Berkeley	
Lawrence Livermore National Laboratory - Graduate Intern, Livermore, CA	<i>June 2025 - present</i>
Faculty mentor: Jesse Norris - Nuclear Criticality Safety Division	
Brookhaven National Laboratory - Nuclear Science Intern, Upton, NY	<i>2022 - 2024</i>
Faculty mentor: Gustavo Nobre - National Nuclear Data Center	
Truman State University - Student Astronomy Researcher, Kirksville, MO	<i>2021 - 2022</i>
Faculty mentor: Vayujeet Gokhale - Department of Physics	

SKILLS

- **Coding Languages:** Python, Go, C, C++, Bash, Lua, SQL, MATLAB, Mathematica, Octave, LaTeX, Typst
- **Software:** Simulink, SolidWorks, OpenMC, COG (transport code), NJOY2016, Vim, Neovim, Pytorch, Scikit-learn, Slurm, Git, Linux, Arduino, Microsoft Office
- **Technical/Laboratory:** Technical Writing, Machining, Analog & Digital Electronics, Robotics, Embedded Electronics, Computer Clusters
- **Advanced physics/engineering coursework/lab experience:** Electricity & Magnetism, Electronics, Classical Mechanics, Quantum Physics, Mathematical Physics, Vibrations, Nuclear Physics, Thermodynamics, Fluid Mechanics, Solid Mechanics, Heat Transfer, Acoustics, Materials Science, Thermal Systems, Aerospace Propulsion, Turbojets, Ramjets, Autonomous Aerial Vehicle Control, State Estimation, and Kalman Filtering
- **Advanced mathematics coursework:** Linear Algebra, Ordinary Differential Equations, Computing Structures, Control Systems, Machine Learning, and Optimizations

ACTIVITIES

MARINER Robotics Project - Project Lead	<i>2024 - 2025</i>
WashU Climbing - Member	<i>2024 - 2025</i>
MATE ROV Robotics Competition - Mechanical Lead	<i>2023 - 2025</i>

Society of Physics Students - *Demo Chair*

2020 - 2023

Competitive Math

December 2022

Dark Sky TSU

2021 - 2022

HONORS

Kenneth L. Jerina Prize for Outstanding Dual-Degree in Mechanical Engineering

April 2025

Conference Experience for Undergraduates 2023

September 2023

Conference Experience for Undergraduates 2022

August 2022

Sigma Pi Sigma Honor Society

May 2022
